

Another step in the international expansion

AURELIUS opens new office in Madrid

Munich / Madrid, October 06, 2014 – AURELIUS Group (ISIN DE000A0JK2A8) (“AURELIUS”), the listed mid-market pan-European Investor focused on value creation through operational improvement, has opened an office in Madrid. This office will manage the Group’s activities across Spain and Portugal and the investment team will cooperate closely with corporate headquarters in Munich.

Donatus Albrecht, an AURELIUS Executive Board member responsible for transactions said:

“The creation of AURELIUS Iberia and the hiring of Gonzalo Díaz Uriarte will intensify the Group’s activities across the highly promising Iberian market. His regional expertise will ensure we increase our activity significantly in the region and continue to grow the business across the markets of Southern Europe.”

Dr. Dirk Markus, Executive Board Chairman of AURELIUS, added:

“Spain’s economic outlook for the coming years has improved significantly. After the severe 2008 financial crisis and recession that followed, Spain has emerged as one of the stronger growing economies in the Eurozone. We want to build on the good reputation in Spain that we have built through our investments in Steria Ibérica, Telvent and Thales CIS.”
